## Research and concept

An interactive and immersive presentation of a holiday. The focus is in the storytelling of the holiday. The audience is someone who is looking to escape reality and dreams of his/her next holiday.

### Maps

Over 2,000 years ago, the Nabataeans created Petra—the city of stone. Journey with us behind the iconic facade from the movies, and discover one of the great wonders of the world, forgotten by time itself. Explore an ancient world wonder, forgotten by time itself.
